Welcome to LIFE SKILLS MAGIC ACADEMY

Empowering children through the art of magic

The Life Skills Magic Academy by Twisted Fork Magic is a unique programme designed to teach children essential life skills through the wonder of magic. Using simple, everyday objects, our magicians inspire pupils to build confidence, communication, creativity, and critical thinking - all while having an incredible amount of fun.

WHAT WE TEACH

Magic is the Method - Confidence is the Outcome

Key Learning Outcomes:

- **Confidence:** Performing magic builds self-belief and presentation skills.
- **Communication:** Learning to speak, listen, and engage with an audience.
 - **Creativity:** Using imagination to make each trick their own.
- **Critical Thinking:** Problem-solving, sequencing, and resilience through practice.
 - **Teamwork:** Working together to amaze and encourage each other.

OUR APPROACH IS INCLUSIVE, EXCITING, AND PROVEN TO BOOST SELF-ESTEEM ACROSS ALL ABILITY LEVELS

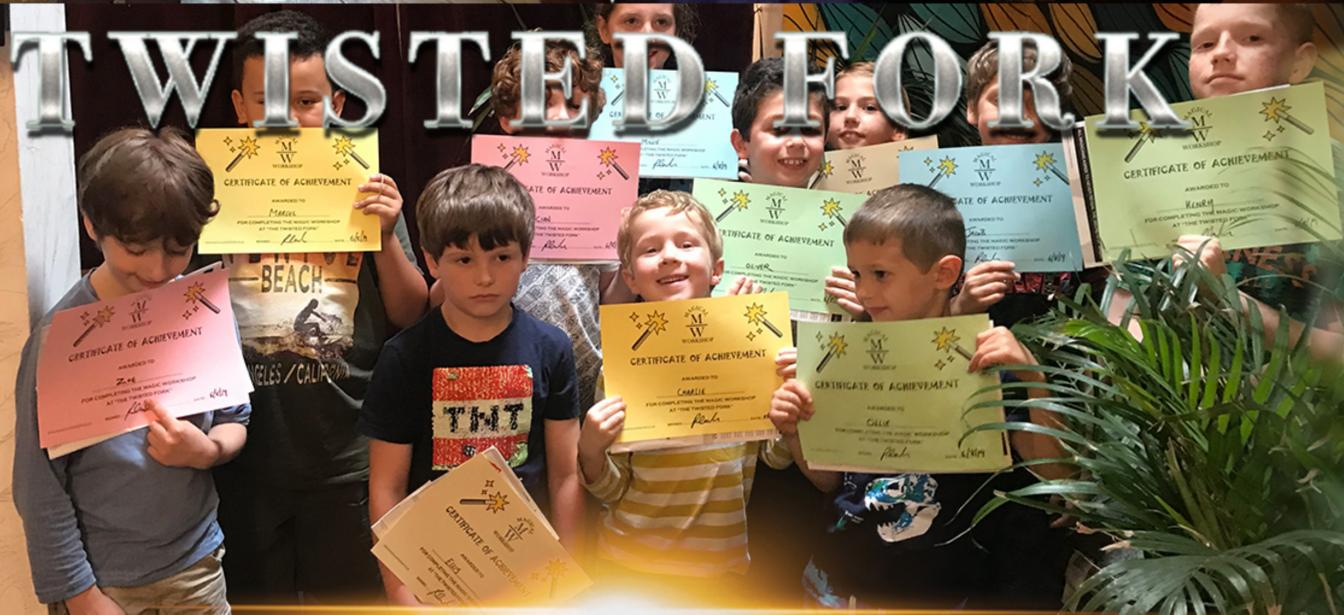

SCHOOL CLUBS & PRIVATE LESSONS

AS SEEN
IN THE
TELEGRAPH

We deliver the Life Skills Magic Academy in a variety of formats to suit your setting:

- In-School Lessons – We can host lessons within your school as part of your activity programme, teaching magic with life skills, and tailoring it to your curriculum.
- After-School Clubs – Weekly sessions designed to fit easily into school timetables.
- Enrichment Days – Interactive workshops that bring entire year groups together in a burst of creativity and confidence.
- Private Events & Parties – Unique experiences that mix entertainment with skill-building fun.

Each child receives their own props. All our magicians are DBS-checked and professional performers.

REAL LEARNING HAPPENS when children are inspired

The Life Skills Magic Academy is not a standard workshop
it's a transformative experience that encourages every child to step
forward, perform, and believe in themselves.

WHY SCHOOLS CHOOSE US:

- Professionally designed curriculum supporting PSHE
- Proven improvement in confidence, focus, and communication.
- Easy setup - we bring everything needed for a seamless experience.
- Trusted by students, schools, teachers, and parents nationwide.

“ I would not hesitate to recommend Twisted Fork Magic School as a
valued enrichment provider. They bring both professionalism and
a sense of wonder to their sessions, making them an excellent
addition to any extracurricular or holiday programme.. ”
